## Baloise online

### Online services for employee pension plans, accident insurance and daily sickness allowance insurance

Did you know that you can complete many of our processes online and even run training courses? Our secure online services make life easier for you.

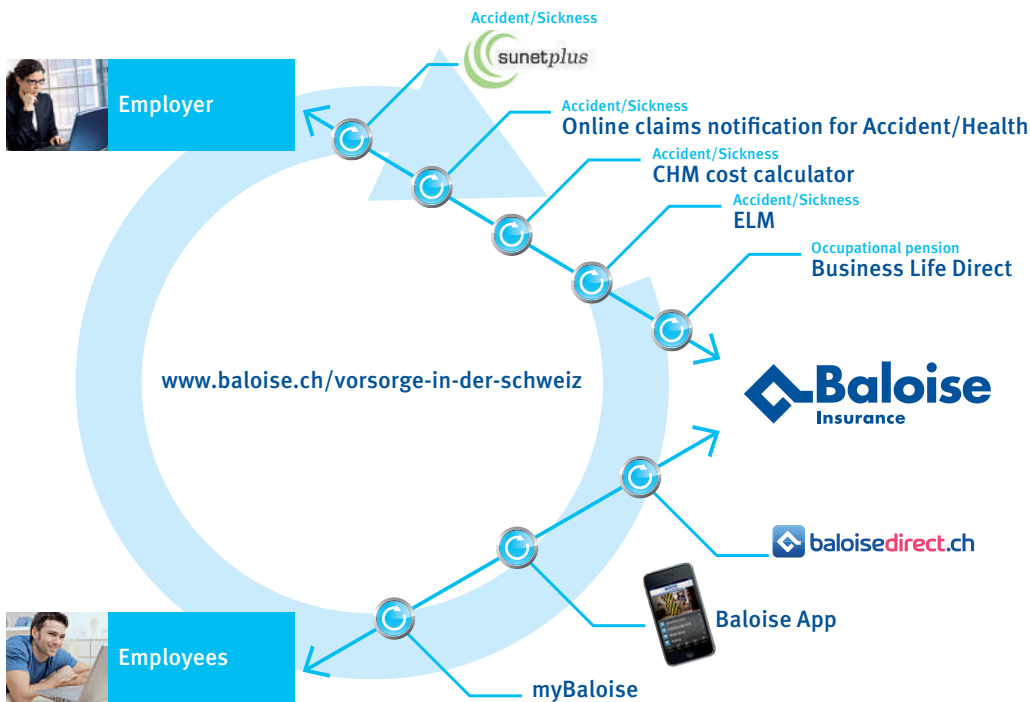

#### For you as an employer:

Application	Target users	Purpose	Further details / contact
Business Life Direct (BLD)	Managers, HR departments, brokers and trust companies	Manage enquiries, calculations and amendments to occupational pension plans, independently, both during and out of office hours.	<a href="http://www.baloise.ch/businesslifedirect">www.baloise.ch/businesslifedirect</a>  Registration: <a href="mailto:Business_Life_Direct@baloise.ch">Business_Life_Direct@baloise.ch</a>
Tour of pension provision in Switzerland	Pension fund trustees, HR departments, brokers and employees	Online training on the following topics: the Swiss pension system, the tasks of pension fund trustees and day-to-day practical issues.	<a href="http://www.baloise.ch/vorsorge-in-der-schweiz">www.baloise.ch/vorsorge-in-der-schweiz</a>
CHM (Corporate Health Management) cost calculator (as of July 2016)	Managers, HR departments, brokers	By entering just a few company details, the calculator shows you the costs that arise from employees who are absent or not fully fit for work. The CHM cost calculator illustrates the financial potential of implementing health-promoting measures.	Ask your adviser or broker.
SunetPlus	Managers, HR departments	Create accident reports and sickness notifications online – claims management at the click of a mouse! SunetPlus is suitable for larger companies who submit more than 15 claim reports annually and also serves as an absentee management tool and interface with other HR systems.	<a href="http://www.baloise.ch/de/unternehmen-skunden/service/schadenmeldung/sunetplus.html">www.baloise.ch/de/unternehmen-skunden/service/schadenmeldung/sunetplus.html</a>  Registration: <a href="mailto:sunet@baloise.ch">sunet@baloise.ch</a>

Application	Target users	Purpose	Further details / contact
