Occupational pension provision Baloise safety and competence

Safety

→ Comprehensive cover, guarantees

Your pension capital (retirement assets) are fully protected at all times by our extensive guarantees under our comprehensive insurance cover. This pension solution puts you on the safe side and protects your occupational pension plan from entrepreneurial risk (no pension shortfalls).

→ Solvency, financial strength

Baloise ranks among Europe's most solvent companies. As your strong financial partner, we guarantee that we can fulfil our obligations at any time.

→ Baloise Safety World, Corporate Health Management

With the Baloise Safety World, you don't have to wait until something happens to get our help. Corporate Health Management is our tailor-made advisory package with measures designed to promote the health and performance of your employees.

Strength

→ A strong and experienced partner

For more than 75 years, Baloise has offered occupational pension provision solutions and ranks among the most renowned providers in this segment. Nearly 20,000 companies rely on our pension solutions and value us as a strong partner.

→ Professional asset management, solid interest rates

We have achieved consistently high yields and performance with the pension capital entrusted to us in a market comparison. This enables us to allocate appropriate long-term surpluses to the companies affiliated with us.

Competency

→ An all-sector insurer

Our personal and non-life insurance range is rounded off by the financial services offered by our bank. This allows us to give you comprehensive cover and advice. We know your needs and have the right insurance solution for every company.

→ Proximity to our customers

Proximity to our customers is important to us! Through our regional network of specialists, we are always there for you and able to advise you competently and locally on a wide range of issues.

→ Modern, innovative solutions

We are dedicated to innovation and continuous improvement. We can offer you modern, flexible solutions. We continuously work to offer you the best online services to help you with the administration of your personal insurance.

Making you safer.
